

SATURDAY SECTION B - CATTLE

ENTRIES CLOSE WEDNESDAY 29th FEBRUARY 2012

Cattle bedding is kindly donated by
ORGANIC FERTILIZERS PTY LTD (LEPPINGTON PASTORAL Co.)

All classes will be judged as in the schedule or at the discretion of the stewards. Where there is no competition the judges will use their discretion as to whether the exhibit is worthy of a prize. No champion ribbon will be awarded if in the opinion of the judge an exhibit is not worthy. All animals must be registered with the relevant Breed Society and the Committee's decision is to be accepted as final in all matters. White coats or breed uniform to be worn in all classes. All animals entered must come from a herd and property where **Johne's Disease** has not been known or suspected in the last 5 years. Exhibitors are to notify their herd's Johne's Disease status on their entry form. We advise exhibitors that they should consider treating their cattle for the **Theileriosis Disease**, prior to coming to the Show. The Theileriosis Disease is carried by ticks & sometimes March Flies & Stable Flies. The LHPA & Senior District Veterinarian Office recommend Cydectin Pour on (Virbac) for ticks & Arrest Easy-done (Virbac) or Coopafly (Coopers) for Biting Flies. NB: Coopers should not be used within 48 hours of showing due to risk of mild irritations following treatment.
